

Invitation for Bids

Date: *June 30, 2016*

Loan N^o: 8391-UA and TF017112

IFB N^o: KR-D-IFB-07

1. Ukraine has received a loan from the International Bank for Reconstruction and Development (IBRD) in various currencies towards the cost of Second Urban Infrastructure Project (UIP2). It is intended that part of the proceeds of this loan will be applied to eligible payments under the contract for Reconstruction of Wastewater Pump Stations in the city of Kirovohrad.

2. Regional Utility Production Company “Dnipro-Kirovohrad” now invites sealed bids from eligible bidders for the construction and completion of reconstruction of wastewater pump stations (“the Facilities”). International competitive bidding will be conducted in accordance with the Bank's Single-Stage Bidding Procedure. Bidding will be conducted through the International Competitive Bidding procedures as specified in the World Bank's Guidelines: Procurement of Goods, Works and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers, dated January 2011 as revised through July 2014 Corrigenda (“Procurement Guidelines”), and is open to all eligible bidders as defined in the Procurement Guidelines. In addition, please refer to paragraphs 1.6 and 1.7 setting forth the World Bank's policy on conflict of interest.

Qualification requirements for Bidders, including members of joint ventures, subcontractors and manufacturers:

Average Annual Turnover: Minimum average annual turnover of six million US dollars (US\$ 6 000 000) calculated as total certified payments received for contracts in progress or completed, within the last five (5) years prior to the deadline for bid submission.

General Experience: Experience under design, supply and Installation contracts in the role of prime contractor, JV member, sub-contractor, or management contractor for at least the last six (6) years, starting 1st January 2010.

Specific Experience: A minimum number of similar contracts specified below that have been satisfactorily and substantially completed as a prime contractor, joint venture member, management contractor or sub-contractor between 1st January 2010 and bid submission deadline:

I) Two (2) contracts each of minimum value US \$ four (4) million; or II) One (1) contract of minimum value US \$ Eight (8) million.

The similarity shall be based on the physical size, complexity, methods/technology or other characteristics as described in Section VI, Employer's Requirements. Substantial completion shall be based on 80% or more works completed under the contract

For contracts under which the Bidder participated as a joint venture member or sub-contractor, only the Bidder's share, by value, shall be considered to meet this requirement. In the case of JV, the value of contracts completed by its members shall not be aggregated to determine whether the requirement of the minimum value of a single contract has been met. Instead, each contract performed by each member shall satisfy the minimum value of a single contract as required for single entity. In determining whether the JV meets the requirement of total number of contracts, only the number of contracts completed by all members each of value equal or more than the minimum value required shall be aggregated.

Financial resources: The Bidder must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet:

- (i) the following cash-flow requirement: eight hundred thousand US dollars (US\$ 800 000); and
- (ii) the overall cash flow requirements for this contract and its current commitments.

Litigation History: A Bidder shall provide complete information on all the current and past litigations or arbitrations due to the contracts performed or contracts in progress for the last three (3) years.

Personnel: The Bidder must demonstrate that it will have the personnel for the key positions that meet the following requirements:
